FAST MISSILE BOAT

MILITARY VESSEL

Swiftships' Fast Missile Boat (FMB) hull and superstructure are constructed of all-welded aluminum alloy.

Swiftships proven and time-tested hulls have made our ships recognized as top performers in the maritime industry. The FMB is built to contain and conquer almost any aerial and subsea enemy threats. Equipped with a wide array of assault weapons, state-of-the-art radar systems and Northrop IBU, the 45-meter FMB makes for a highly lethal vessel.
